Iron River School Dragon of the Month

For the month of October was awarded to

DANE HANSEN

In recognition of the following:

- Dane has proven time and time again, to be an amazing young man. He constantly is lending a helping hand, using his manners, being respectful, and making Iron River School a better place. A role model that every other student, young and old, could look to for an example of how to be a Dragon. Whether he is on the volleyball court, ringing tone chimes, or rocking Social Studies, he is an exceptional student that is always willing to learn. Congratulations Dane!

COUNSELOR'S CORNER

Mrs. Webb has been busy going into the Kindergarten to Grade 3 Classrooms since the beginning of the school year and working with students on problem solving using Kelso's Choice. This program helps students to identify "Small Problems" vs. "Big Problems", and how to use Kelso's Choices to solve their small problems on their own. Kelso offers 9 choices to help students solve their small problems, and they have to try at least 2 of the choices before seeking an adult for help if they have not worked. If they have a big problem, something that is scary or dangerous, they automatically need to go to an adult they trust for help. Ask your child what choices they used today to solve their small problems.

You can find more resources about this program on their website <https://kelsoschoice.com/> or by contacting Mrs. Webb at the school.

FOR YOUR SAFETY
AND OURS

MASKS REQUIRED

FOR ALL ADULTS AND STUDENTS
IN GRADE 4 AND UP

It's Colder ...

Inside & Outside!

Please dress warmly!

Students and staff have been colder INSIDE since the temperature dropped outside. This is because NLPS, in accordance with Alberta Government's General Relaunch Guidance, has been running the air circulation systems in all of their buildings 24/7 to bring in fresh air from outside. This is to assist in removing airborne virus particles.

"Our goal is to balance the air circulation strategy with keeping our buildings warm. Our intent is to heat buildings to 20 degrees Celsius and then run the air circulation until the ambient air temperature drops to 17 degrees Celsius."

OPERATION EDUCATION FUNDRAISER - REBATE PROGRAM -

Operation Education brings Boston Pizza and local schools together.

From September 1 to December 31, 2020, visit your local Northern Alberta Boston Pizza* and help your school earn 5% cash back of the pre-tax total of your receipt.

Let staff, students and other families know to go to Boston Pizza, save their receipts and submit them to your designated school representative by January 31, 2021.**

*valid for registered schools at participating NAB Boston Pizza locations.
Only original receipts are accepted.

****Drop off receipts at Iron River School or use the white drop-box at Iron River General Store! Thanks for your support!!**

Concession:

If you do not want to send money with your children, you can purchase a pre-paid tab through SchoolCash Online! **You must print off the receipt and send it to the school** so Miss. Jess can put it in the concession. We are not always able to check whether or not you have purchased a pre-paid tab. The receipt can also be emailed to the school ironriver@nlsd.ab.ca, but that can cause a delay in accessing the pre-paid tab.

Pizza with the Principal

There were several Dragon scales with positive behaviours read during morning announcements last month. **Jenelle Kardash, Laurel Graves, Ashlyn Tkachuk & Kaylee Graves** were the four lucky **October winners** whose scales were drawn to have "Pizza with the Principal"!

Congratulations to all the Dragons who continue to show positive behaviours.
